

Assignment guidance for tablets and iPads.

If you are working from a tablet or iPad, we recommend working on paper (if available) and uploading a picture of your work onto the assignment section of teams.

1. Select teams and then your class.
2. Once you are here, you should find an assignments section at the bottom (android tablet users may find assignments in a different place).
3. Click on assignments when found.

6. Once you have selected your lesson, any resources the teacher has provided will be under 'my work'.
7. Once you have completed the work using resources from the teacher, take a picture of your work.

7. Once you have clicked add work, select upload from this device.
8. Then select photos and videos.
9. Choose the picture you want to upload (you can upload more than one).
10. When you have uploaded all your work, click on 'hand in'
