

Reading at Hardwicke Parochial Primary Academy

Reading is at the heart of all we do.

Being able to read enables children to acquire the knowledge they need in order to succeed in life. This means building strong foundations from the very first day of school that will make a real difference to a child's future.

Reading for Pleasure is something that we are passionate about at Hardwicke Parochial Academy. To promote a love of reading throughout our school community, our children have the opportunity to work towards 'Book Worm Awards', for reading for pleasure.

What counts?

Any reading for pleasure at home, independent, or with an adult, should be recorded in your usual Reading Record and then signed by an adult. Every 5 reads will receive a tick towards the below targets. Reads do not need to be on consecutive days!

This includes your school reader, library book or books from the class collection, or one from your bookshelf at home. At the front of your Reading Journal keep a list of all the books you have read!

A member of teaching staff will tally points up weekly, and record on their own Bookworm record sheet. These will be kept in class.
